HC = Hors Concours (French - definition from answers.com - an exhibitor, ineligible for an award in a competition owing to acknowledged superiority.)

TE = Technical Elimination - this is an elimination not caused by a disobedience of the horse, like forgetting the course

WD = Withdrew

R = Retired

S = Scratch

Difference between S, WD, and R is when it is done. If the competitor never starts the competition it is S, if the competitor stops the competitions in the middle of a phase is it R, if they quit between phases it is WD.
